INTERNATIONAL MIGRATION LAW

N°26 Glossary on Migration (Korean)

N°27 Glossary on Migration (Vietnamese)

The International Migration Law (IML) Series seeks to promote the understanding and awareness of the legal norms and principles that govern the movement of persons today, with regard to both rights and obligations of migrants and States' responsibilities. It provides in one source definitions for terms used in the migration domain, and offers thematic analysis of specific migration law issues. The IML Series is coordinated by IOM's International Migration Law and Legal Affairs Department.

La série consacrée au droit international de la migration (DIM) s'attache à promouvoir la compréhension et la prise de conscience des normes juridiques et des principes régissant aujourd'hui les mouvements de personnes, tant sous l'angle des droits et des obligations des migrants que des responsabilités des États. L'une des publications parues dans cette série offre des définitions de termes applicables au domaine migratoire, tandis que d'autres sont l'objet d'une analyse thématique de questions spécifiques en relation avec le droit de la migration. La série du DIM est coordonnée par le Département du Droit international de la migration et des Affaires juridiques de l'OIM.

El Derecho Internacional sobre Migración (DIM) aspira a promover la comprensión y conciencia sobre las normas jurídicas y principios que rigen los movimientos de personas en la actualidad, ya se trate de los derechos u obligaciones de los migrantes o de las responsabilidades de los Estados. Además ofrece una fuente de definiciones para los términos utilizados en el ámbito de la migración y un análisis temático de cuestiones atinentes al derecho sobre la migración. El Departamento de Derecho Internacional sobre Migración y Asuntos Jurídicos de la OIM se encarga de la serie sobre DIM.
