IOM provides assistance to internally displaced persons, stranded migrants and third-country refugees inside Syria as well as Syrian refugees, Iraq and Lebanese returnees and vulnerable host communities in the neighbouring countries of Iraq, Jordan, Lebanon, and Turkey.

**Human Interest Story**

A family of nine left their village 30 months ago to escape the escalating violence. They travelled, without any belongings from al-Tyas village, 90km west of Homs, to live in Hassiyeh – a city 40km south of Homs.

Having lost their herd of sheep, their source of income generation, the father got a job as a night guard for USD 91 a month, which hardly suffices for a week’s expenditure. Residing in the sack-cloth tent, the family also suffers from a lack of sanitation, and water scarcity.

IOM provided the family with a 500 litre water tank and chlorine tablets to increase their access to clean water.
