***Management of the Procurement process for the IOM Global Insurance Package***

**BID BULLETIN  
Addendum No. 2**

This Addendum No. 02 is issued to modify information provided in the Request for Proposals to Consulting Firms for the *review the global insurance package, provide recommendations, and manage the procurement process to select the best provider* issued to the prospective Consulting Firms on *16 September 2020*.

**B.2. Response to Bidders' Inquiries/Clarification – Technical Concerns**

1. Having read the elements with respect to war, after exchanging with our Global Political Violence & Terrorism team, our understanding is, you are seeking for Personal Accident cover. Please confirm.

A: The war risk insurance is for staff members and is activated on a case to case basis when the Malicious Acts Insurance through UNDSS does not apply. It should provide for indemnity payments in case of permanent disability and/or death due to an accident or an illness resulting directly from armed conflict, political trouble, riots, demonstrations, rebellion, revolution, siège, etc

2. Would you mind confirming if IOM own/operate assets, and you want to get cover for Terrorism/Political Violence coverage?

A: IOM's own assets are not included within the scope of this RFP.

Very truly yours,  
BEAC Chairperson  
Global Procurement and Supply Unit
