## Displacement Tracking Matrix

**Malawi - Cyclone IDAI - March 2019**

**Published on:** 2019-04-02

**Site Location:** 35.6613, -15.5215
Survey Date: 2019-03-29

Site ID: PH_018
Site type: School
Date site opened: 2019-03-06
Expected period of displacement: 1 to 3 months
District (site Location): Phalombe

Is the site easily accessible? Yes
Is the site safe and secure? Yes
Traditional Area (site location): Ta Jenala

### NEEDS

First most urgent need: Food
Second most urgent need: Sleeping mats and blankets
Third most urgent need: Cooking utensils

### VULNERABILITIES

Number of pregnant women: 6
Number of breastfeeding mothers: 26
Number of persons with physical disabilities: 4
Number of persons with mental disabilities: 1

Number of persons with chronic diseases / serious medical conditions: 4
Number of child-headed households: 1
Number of elderly persons: 4

### SHELTER

Percentage of households living outside: 25%
Percentage of households living in tents: 0%
Percentage of households living in permanent shelters: 75%
Top one NFI need not accessible to IDPs: Cooking items (pots/pans)
Top two NFI need not accessible to IDPs: Items for sleeping (mats, blankets...)
Top three NFI need not accessible to IDPs: Mosquito nets

### FOOD

Percentage of Households who had less than 3 meals per day in the past week: 0%
How people get access to the market? Walking
Can people buy what they need at the market? Not most people
Reason why most people cannot buy what they need at the market: Do not have enough money/Prices are too high

### EDUCATION

Percentage of IDP children (3 - 5 years old) attending school: 0%
Percentage of IDP children (6 - 12 years old) attending school: 100%
Percentage of IDP children (13 - 17 years old) attending school: 75%

### RETURN

What is preventing the largest IDP group from returning home? House damaged/destroyed

### HEALTH

Distance from the nearest health facility: More than 30 minutes
Main reason preventing IDPs from accessing healthcare services: Discrimination
Female healthcare workers available at the health facility: Yes

### PROTECTION

Is there security provided? Yes
Is there a threat of eviction? No
Is there adequate lighting in the majority of communal points? 25%

### WASH

Main source of drinking water: Tube well/Borehole
Percentage of IDPs who have enough drinking water: 100%
Percentage of IDPs who have access to functioning bathing/shower facilities: 100%
Percentage of IDPs living in areas where open defecation is visible: 0%
Percentage of IDPs living in areas where garbage is visible: 0%
Primary type of sanitation facilities: Pit latrine with slab

</table>

### VULNERABILITIES

- Number of pregnant women: 26
- Number of breastfeeding mothers: 90
- Number of persons with physical disabilities: 0
- Number of persons with mental disabilities: 0
- Number of persons with chronic diseases / serious medical conditions: 5
- Number of child-headed households: 0
- Number of elderly persons: 0
- Number of separated children: 0
- Number of orphaned children: 0
- Number of single-female-headed households: 0
- Number of single-male-headed households: 0

### SHELTER

- Percentage of households living outside: 75%
- Percentage of households living in tents: 25%
- Percentage of households living in permanent shelters: 0%
- Top one NFI need not accessible to IDPs: Items for sleeping (mats, blankets, ...)
- Top two NFI need not accessible to IDPs: Mosquito nets
- Top three NFI need not accessible to IDPs: Soap/detergent for washing clothes

### FOOD

- Percentage of Households who had less than 3 meals per day in the past week: 75%
- How people get access to the market: Walking
- Can people buy what they need at the market? Not most people
- Reason why most people cannot buy what they need at the market: Do not have enough money/Prices are too high

### EDUCATION

- Percentage of IDP children (3 - 5 years old) attending school: 75%
- Percentage of IDP children (6 - 12 years old) attending school: 50%
- Percentage of IDP children (13 - 17 years old) attending school: 0%

### RETURN

- What is preventing the largest IDP group from returning home? Basic infrastructures damaged/flooded

### PROTECTION

- Is there security provided? Yes
- Is there a threat of eviction? No
- Is there adequate lighting in the majority of communal points? 0%

### HEALTH

- Distance from the nearest health facility: Up to 30 minutes
- Main reason preventing IDPs from accessing healthcare services: Nothing is preventing people
- Female healthcare workers available at the health facility: Yes

### WASH

- Main source of drinking water: Tube well/Borehole
- Percentage of IDPs who have enough drinking water: 75%
- Percentage of IDPs who have access to functioning bathing/shower facilities: 0%
- Percentage of IDPs living in areas where open defecation is visible: 75%
- Percentage of IDPs living in areas where garbage is visible: 75%
- Primary type of sanitation facilities: Pit latrine without slab/open pit

## Needs

- **First most urgent need:** Food
- **Second most urgent need:** Kitchen utensils
- **Third most urgent need:** Blankets

### Vulnerabilities

- **Number of pregnant women:** 2
- **Number of breastfeeding mothers:** 10
- **Number of persons with physical disabilities:** 2
- **Number of persons with mental disabilities:** 2

### Shelter

- **Percentage of households living outside:** 0%
- **Percentage of households living in tents:** 0%
- **Percentage of households living in permanent shelters:** 100%
- **Top one NFI need not accessible to IDPs:** Cooking items (pots/pans)
- **Top two NFI need not accessible to IDPs:** Hygiene products (for personal hygiene)
- **Top three NFI need not accessible to IDPs:** Mosquito nets

### Food

- **Percentage of Households who had less than 3 meals per day in the past week:** 50%
- **How people get access to the market:** Walking
- **Can people buy what they need at the market?** No
- **Reason why most people cannot buy what they need at the market:** Do not have enough money/Prices are too high

### Education

- **Percentage of IDP children (3 - 5 years old) attending school:** 50%
- **Percentage of IDP children (6 - 12 years old) attending school:** 100%
- **Percentage of IDP children (13 - 17 years old) attending school:** 100%

### Return

- **What is preventing the largest IDP group from returning home?** Lack of food
**Survey Date:** 2019-04-02

**Site ID:** NS_002

**Site type:** School

**Date site opened:** 2019-03-06

**Expected period of displacement:** Between 1 and 3 months

**District (site Location):** Nsanje

**Is the site easily accessible?** Yes

**Is the site safe and secure?** Yes

**Traditional Area (site location):** Ta Mliolo

---

**NEEDS**

**First most urgent need:** Food

**Second most urgent need:** Farm inputs

**Third most urgent need:** Tapauline

---

### Individual Needs

#### Food
- Number of persons with mental disabilities: 4
- Number of pregnant women: 30
- Number of persons with physical disabilities: 19
- Number of breastfeeding mothers: 45
- Number of child-headed households: 0
- Number of elderly persons: 0
- Number of separated children: 18
- Number of orphans: 31
- Number of single-female-headed households: 18
- Number of single-male-headed households: 2

#### Shelter
- Percentage of households living outside: 25%
- Percentage of households living in tents: 0%
- Percentage of households living in permanent shelters: 75%
- Top one NFI need not accessible to IDPs: Cooking items (pots/pans)
- Top two NFI need not accessible to IDPs: Items for sleeping (mats, blankets,..)
- Top three NFI need not accessible to IDPs: Soap/detergent for washing clothes

#### WASH
- Main source of drinking water: Tube well/Borehole
- Percentage of IDPs who have enough drinking water: 75%
- Percentage of IDPs who have access to functioning bathing/shower facilities: 0%
- Percentage of IDPs living in areas where open defecation is visible: 0%
- Percentage of IDPs living in areas where garbage is visible: 0%
- Primary type of sanitation facilities: Pit latrine without slab / open pit

#### Health
- Distance from the nearest health facility: More than 30 minutes
- Main reason preventing IDPs from accessing healthcare services: Cost/Money
- Female healthcare workers available at the health facility: Yes

#### Protection
- Is there security provided? Yes
- Is there a threat of eviction? Yes
- Is there adequate lighting in the majority of communal points? 0%

### Educational Needs
- Percentage of IDP children(3 - 5 years old) attending school: 25%
- Percentage of IDP children(6 - 12 years old) attending school: 50%
- Percentage of IDP children(13 - 17 years old) attending school: 50%

### Return
- What is preventing the largest IDP group from returning home? House damaged/destroyed

### NEEDS

- **First most urgent need:** Housing
- **Second most urgent need:** Food
- **Third most urgent need:** Household utilities

### VULNERABILITIES

- Number of pregnant women: 4
- Number of breastfeeding mothers: 15
- Number of persons with physical disabilities: 2
- Number of persons with mental disabilities: 1
- Number of persons with chronic diseases / serious medical conditions: 1
- Number of child-headed households: 0
- Number of elderly persons: 0
- Number of separated children: 8
- Number of orphaned children: 10
- Number of single-female-headed households: 8
- Number of single-male-headed households: 4

### SHELTER

- Percentage of households living outside: 75%
- Percentage of households living in tents: 100%
- Percentage of households living in permanent shelters: 0%
- Top one NFI need not accessible to IDPs: Cooking items (pots/pans)
- Top two NFI need not accessible to IDPs: Items for sleeping (mats, blankets,..)
- Top three NFI need not accessible to IDPs: Closed containers to transport and /or store water

### FOOD

- Percentage of Households who had less than 3 meals per day in the past week: 100%
- How people get access to the market: Walking
- Can people buy what they need at the market: Yes
- Reason why most people cannot buy what they need at the market: N/A

### EDUCATION

- Percentage of IDP children(3 - 5 years old) attending school: 0%
- Percentage of IDP children(6 - 12 years old) attending school: 100%
- Percentage of IDP children(13 - 17years old) attending school: 100%

### RETURN

- What is preventing the largest IDP group from returning home: House damaged/destroyed

### HEALTH

- Distance from the nearest health facility: There is no reachable health facility
- Main reason preventing IDPs from accessing healthcare services: There are no reachable health services
- Female healthcare workers available at the health facility: Only sometimes/Part of the time

### PROTECTION

- Is there security provided? No
- Is there a threat of eviction? No
- Is there adequate lighting in the majority of communal points? 0%

### Needs

**First most urgent need:**  
**Second most urgent need:**  
**Third most urgent need:**

### Shelter

- Percentage of households living outside: 75%
- Percentage of households living in tents: 0%
- Percentage of households living in permanent shelters: 75%
- Top one NFI need not accessible to IDPs: Cooking items (pots/pans)
- Top two NFI need not accessible to IDPs: Items for sleeping (mats, blankets,..)
- Top three NFI need not accessible to IDPs: Mosquito nets

### Food

- Percentage of Households who had less than 3 meals per day in the past week: 25%
- Main source of drinking water: Piped water to yard/Plot
- Percentage of IDPs who have enough drinking water: 75%
- Percentage of IDPs who have access to functioning bathing/shower facilities: 0%
- Percentage of IDPs living in areas where open defecation is visible: 0%
- Primary type of sanitation facilities: Pit latrine with slab
- Reason why most people cannot buy what they need at the market: Do not have enough money/Prices are too high

### Education

- Percentage of IDP children (3 - 5 years old) attending school: 100%
- Percentage of IDP children (6 - 12 years old) attending school: 75%
- Percentage of IDP children (13 - 17 years old) attending school: 100%

### Protection

- Is there security provided? Yes
- Is there a threat of eviction? No
- Is there adequate lighting in the majority of communal points? 25%

NEEDS

First most urgent need: Food
Second most urgent need: Cooking items
Third most urgent need: Shelter

VULNERABILITIES

Number of pregnant women: 11
Number of breastfeeding mothers: 43
Number of persons with physical disabilities: 10
Number of persons with mental disabilities: 1

SHELTER

Percentage of households living outside: 75%
Percentage of households living in tents: 0%
Percentage of households living in permanent shelters: 25%
Top one NFI need not accessible to IDPs: Cooking items (pots/pans)
Top two NFI need not accessible to IDPs: Items for sleeping (mats, blankets,..)
Top three NFI need not accessible to IDPs: Closed containers to transport and/or store water

FOOD

Percentage of Households who had less than 3 meals per day in the past week: 25%
How people get access to the market: Walking
Can people buy what they need at the market? Not most people
Reason why most people cannot buy what they need at the market: Do not have enough money/Prices are too high

EDUCATION

Percentage of IDP children (3 - 5 years old) attending school: 25%
Percentage of IDP children (6 - 12 years old) attending school: 75%
Percentage of IDP children (13 - 17 years old) attending school: 50%

RETURN

What is preventing the largest IDP group from returning home? House damaged/destroyed

WASH

Main source of drinking water: Unprotected dug well
Percentage of IDPs who have enough drinking water: 50%
Percentage of IDPs who have access to functioning bathing/shower facilities: 0%
Percentage of IDPs living in areas where open defecation is visible: 25%
Percentage of IDPs living in areas where garbage is visible: 0%
Primary type of sanitation facilities: Pit latrine without slab / open pit

HEALTH

Distance from the nearest health facility: More than 30 minutes
Main reason preventing IDPs from accessing healthcare services: No medicines available in healthcare center
Female healthcare workers available at the health facility: Yes

PROTECTION

Is there security provided? Yes
Is there a threat of eviction? No
Is there adequate lighting in the majority of communal points? 25%

- Percentage of IDP children (3 - 5 years old) attending school: 50%  
- Percentage of IDP children (6 - 12 years old) attending school: 75%  
- Percentage of IDP children (13 - 17 years old) attending school: 100%

### Return

- What is preventing the largest IDP group from returning home? House damaged/destroyed

### Displacement Tracking Matrix - Malawi - Cyclone Idai - March 2019

**Survey Date:** 2019-03-04  
**Site ID:** PH_020  
**Site type:** School  
**Date site opened:** 2019-03-04  
**Expected period of displacement:** More than 3 months  
**District (site Location):** Phalombe  
**Is the site easily accessible?** Yes  
**Is the site safe and secure?** Yes  
**Traditional Area (site location):** Ta Mkhumba

### Vulnerabilities

- Number of pregnant women: 6  
- Number of breastfeeding mothers: 48  
- Number of persons with physical disabilities: 6  
- Number of persons with mental disabilities: 2  

### Shelter

- Percentage of households living outside: 100%  
- Percentage of households living in tents: 0%  
- Top one NFI need not accessible to IDPs: Cooking items (pots/pans)  
- Top two NFI need not accessible to IDPs: Mosquito nets  
- Top three NFI need not accessible to IDPs: Soap/detergent for washing clothes

### Food

- Percentage of households who had less than 3 meals per day in the past week: 50%  
- How people get access to the market: Walking  
- Can people buy what they need at the market? Do not have enough money/Prices are too high

### Education

- Percentage of IDP children (3 - 5 years old) attending school: 50%  
- Percentage of IDP children (6 - 12 years old) attending school: 75%  
- Percentage of IDP children (13 - 17 years old) attending school: 100%

### Return

- What is preventing the largest IDP group from returning home? House damaged/destroyed

**Site Location:** 35.5425, -15.7209  
**Number of households:** 36  
**Number of individuals:** 178

### VULNERABILITIES

| Number of pregnant women: | 9 |
| Number of breastfeeding mothers: | 38 |
| Number of persons with physical disabilities: | 5 |
| Number of persons with mental disabilities: | 0 |

### SHELTER

- Percentage of households living outside: 0%
- Percentage of households living in tents: 0%
- Percentage of households living in permanent shelters: 100%
- Top one NFI need not accessible to IDPs: Cooking items (pots/pans)
- Top two NFI need not accessible to IDPs: Items for sleeping (mats, blankets...)
- Top three NFI need not accessible to IDPs: Mosquito nets

### FOOD

- Percentage of Households who had less than 3 meals per day in the past week: 100%

**Reason why most people cannot buy what they need at the market:**

- Do not have enough money
- Prices are too high

### EDUCATION

- Percentage of IDP children(3 - 5 years old) attending school: 25%
- Percentage of IDP children(6 - 12 years old) attending school: 100%
- Percentage of IDP children(13 - 17 years old) attending school: 75%

### PROTECTION

- Is there security provided? | Yes |
- Is there a threat of eviction? | Yes |
- Is there adequate lighting in the majority of communal points? | 0% |

### HEALTH

- Distance from the nearest health facility: More than 30 minutes
- Main reason preventing IDPs from accessing healthcare services: Nothing is preventing people
- Female healthcare workers available at the health facility: Yes

### WASH

- Main source of drinking water: Tube well/Borehole
  - Percentage of IDPs who have enough drinking water: 100%
  - Percentage of IDPs who have access to functioning bathing/shower facilities: 0%
  - Percentage of IDPs living in areas where open defecation is visible: 0%
  - Percentage of IDPs living in areas where garbage is visible: 0%
- Primary type of sanitation facilities: Pit latrine with slab

- Top three NFI need not accessible to IDPs: Cooking items (pots/pans)
- Top two NFI need not accessible to IDPs: Items for sleeping (mats, blankets...)
- Top one NFI need not accessible to IDPs: Mosquito nets

Survey Date: 2019-03-29

Site Information

Site ID: ZO_013
Site type: Church
Date site opened: 2019-03-07
Expected period of displacement: Between 1 and 3 months
District (site Location): Zomba
Is the site easily accessible? Yes
Is the site safe and secure? Yes
Traditional Area (site location): Ta Mwambo

Is there a Site Management Committee at the site? None
Is the Site Management Committee made up of community members? None
What type of organization is managing the site? None
Is there a Site Management Agency at the site? Yes
Is there a service provider contact list? None

Age Range | Male | Female | % Male | % Female
--- | --- | --- | --- | ---
< 1 | 13 | 16 | 5% | 6%
1 -- 5 | 5 | 14 | 2% | 5%
6 -- 12 | 17 | 18 | 7% | 7%
13 -- 17 | 16 | 16 | 6% | 6%
18 -- 59 | 41 | 89 | 16% | 34%
60 ++ | 7 | 8 | 3% | 3%
Total | 99 | 161 | 38% | 62%

NEEDS

First most urgent need: Food
Second most urgent need: Shelter
Third most urgent need: Items for sleeping

VULNERABILITIES

Number of pregnant women: 1
Number of breastfeeding mothers: 35
Number of persons with physical disabilities: 6
Number of persons with mental disabilities: 1
Number of persons with chronic diseases / serious medical conditions: 9
Number of child-headed households: 0
Number of elderly persons: 3
Number of separated children: 18
Number of orphaned children: 4
Number of single-female-headed households: 18
Number of single-male-headed households: 3

SHELTER

Percentage of households living outside: 25%
Percentage of households living in tents: 0%
Percentage of households living in permanent shelters: 75%
Top one NFI need not accessible to IDPs: Cooking items (pots/pans)
Top two NFI need not accessible to IDPs: Items for sleeping (mats, blankets,...)
Top three NFI need not accessible to IDPs: Shoes and clothes

FOOD

Percentage of Households who had less than 3 meals per day in the past week: 100%
How people get access to the market? Walking
Can people buy what they need at the market? No
Reason why most people cannot buy what they need at the market: Do not have enough money/Prices are too high

EDUCATION

Percentage of IDP children (3 - 5 years old) attending school: 100%
Percentage of IDP children (6 - 12 years old) attending school: 100%
Percentage of IDP children (13 - 17 years old) attending school: 100%

EDUCATION

Is there security provided? Yes
Is there a threat of eviction? Yes
Is there adequate lighting in the majority of communal points? 0%

RETURN

What is preventing the largest IDP group from returning home? House damaged/destroyed
Survey Date: 2019-03-28

### Needs

- **First most urgent need:** Food
- **Second most urgent need:** Shelter
- **Third most urgent need:** Shelter

### Vulnerabilities

- Number of pregnant women: 52
- Number of breastfeeding mothers: 48
- Number of persons with physical disabilities: 7
- Number of persons with mental disabilities: 17
- Number of persons with chronic diseases / serious medical conditions: 48
- Number of child-headed households: 2
- Number of elderly persons: 100
- Number of separated children: 7
- Number of orphaned children: 2
- Number of single-female-headed households: 7
- Number of single-male-headed households: 7

### SHELTER

- Percentage of households living outside: 100%
- Percentage of households living in tents: 0%
- Percentage of households living in permanent shelters: 0%
- Top one NFI need not accessible to IDPs:
  - Hygiene products (for personal hygiene)
- Top two NFI need not accessible to IDPs:
  - Closed containers to transport and/or store water
  - Soap/detergent for washing clothes

### FOOD

- Percentage of Households who had less than 3 meals per day in the past week: 25%
- How people get access to the market: Walking
- Can people buy what they need at the market? Yes
- Reason why most people cannot buy what they need at the market: N/A

### EDUCATION

- Percentage of IDP children(3 - 5 years old) attending school: 100%
- Percentage of IDP children(6 - 12 years old) attending school: 100%
- Percentage of IDP children(13 - 17 years old) attending school: 75%

### RETURN

- What is preventing the largest IDP group from returning home? House damaged/destroyed
### Survey Date: 2019-03-30

Needs

First most urgent need: Food
Second most urgent need: Shelter
Third most urgent need: Kitchen materials

Vulnerabilities

Number of pregnant women: 10
Number of breastfeeding mothers: 16
Number of persons with physical disabilities: 2
Number of persons with mental disabilities: 2

Shelter

Percentage of households living outside: 75%
Percentage of households living in tents: 0%
Percentage of households living in permanent shelters: 75%
Top one NFI need not accessible to IDPs: Cooking items (pots/pans)
Top two NFI need not accessible to IDPs: Items for sleeping (mats, blankets,..)
Top three NFI need not accessible to IDPs: Soap/detergent for washing clothes

Food

Percentage of Households who had less than 3 meals per day in the past week: 25%
How people get access to the market: Walking
Can people buy what they need at the market: Yes
Reason why most people cannot buy what they need at the market: N/A

Education

Percentage of IDP children (3 - 5 years old) attending school: 25%
Percentage of IDP children (6 - 12 years old) attending school: 75%
Percentage of IDP children (13 - 17 years old) attending school: 75%

Protection

Is there security provided? Yes
Is there a threat of eviction? Yes
Is there adequate lighting in the majority of communal points? 25%

Return

What is preventing the largest IDP group from returning home? House damaged/destroyed

Site Information

Is there a Site Management Committee at the site? None
Is the Site Management Committee made up of community members? None
What type of organization is managing the site? None
Is there a Site Management Agency at the site? Yes
Is there a service provider contact list? None

Individuals

Total number of individuals: 450
Number of households: 256
Number of individuals: 450
Households: 256

SHELTER

Main source of drinking water: Tube well/Borehole
Percentage of IDPs who have enough drinking water: 75%
Percentage of IDPs who have access to functioning bathing/shower facilities: 50%
Percentage of IDPs living in areas where open defecation is visible: 0%
Percentage of IDPs living in areas where garbage is visible: 25%
Primary type of sanitation facilities: Pit latrine with slab

WASH

Distance from the nearest health facility: Up to 30 minutes
Main reason preventing IDPs from accessing healthcare services: Nothing is preventing people
Female healthcare workers available at the health facility: No

Health

Reason why most people cannot buy what they need at the market: N/A
How people get access to the market: Walking
Can people buy what they need at the market: Yes
Reason why most people cannot buy what they need at the market: N/A
