

Tete Province (Cidade De Tete and Mutarara Districts) and Zambezia Province (Maganja Da Costa, Namacurra and Nicoadala Districts)

From 8 – 10 January 2020, the International Organization for Migration (IOM) conducted rapid assessment in 12 resettlement sites across Tete and Zambezia provinces after the heavy rainfall last 30 December 2019 to 05 January 2020.

In total, 45 upgraded shelters, 37 emergency shelters and 109 tents were completely destroyed due to the heavy rain. IOM identified additional 82 shelters (upgraded, emergency shelters and tents) had major structural damages to walls and roofing, 33 shelters were partially damaged (including those shelters that were flooded), 315 latrines and 6 CFS were damaged. One clinic was damaged in Pundacani resettlement site in Mutarara district of Tete province. Two schools were damaged, 1 in Matundo - unidade Chimbonde site in Cidade De Tete district of Tete province and the other 1 in Mussaia site in Maganja Da Costa district of Zambezia province.

Resettlement Sites Affected by Heavy Rain (08 - 10 January 2020)
