

DIRECT ENGAGEMENT WITH MIGRANTS USING MOBILE TECHNOLOGY

MIGRANT CONTENT

- International migrants : 250 million
- Internal migrants : 750 million
- Roughly 1 in every 7 persons in the world is a migrant
- IOM assisted 20 million migrants in 2015
- International migrants from developing countries send back home well over USD 600 billion annually

250 million
INTERNATIONAL
MIGRANTS

750 million
INTERNAL
MIGRANTS

The goal is to have 1 million migrants using MigApp by end of 2018.

WHY A MIGRANT APP?

MIGRANT NEEDS

- A trusted source of reliable information
- Assistance to migrate safely
- Low-cost money transfer
- Information on:
 - migration risks
 - visa regulations
 - health guidelines
 - migrant rights
 - governments' migration policies
- Access to migration services and programs
- A secure space to communicate and tell their story

MIGAPP AS A SOLUTION

- Migrants have accurate and comprehensive migration- related information at their finger tips
- Migrants will have access to IOM programs and services
- IOM will use big data to feed into programing for a more proactive response
- Beneficiaries of selected programs will engage with IOM
- Governments will have a platform to directly inform migrants
- Migrants will have access to verified, accurate information

- Migrant registration
- Money transfer comparison
- Migration services
- Notifications
- Migrant information
- "I am a migrant"
- IOM News

THE VALUE PROPOSITION

- Analysing anonymized registration data to assist migrants better and faster
- Government messages & notifications reach more migrant communities
- Reducing the transfer cost of remittance
- Assisting governments to understand migration trends
- Countering human trafficking
- Assisting in bringing families together

MigApp
