### Thinking beyond the Crisis: Labour Migration and Mobility in the Euro-Mediterranean Region

This policy and programmatic paper summarises key outcomes of a high-level meeting held in Rome with the support of IOM Egypt on 19 May 2017. The meeting brought together a wide range of experts, including policy makers, civil servants, academics, and representatives from international organizations and the private sector to discuss the migration trends from the Middle East and North Africa with a focus on governance, underlying socio-demographic patterns, and labour market needs.
