International workshop gathers the prosecution authorities to share experiences and best practices

On 3-4 April 2019 a two-day international workshop on "Role of the Criminal Prosecution Authorities in Combating Human Trafficking" is organized in Baku. The event is held within the framework of the project Enhancement of National Capacities to Combat Human Trafficking in Azerbaijan (ENCT) funded by the European Union and co-funded by IOM Development Fund.

The International workshop will provide 45 national and international participants experts from Eastern Partnership countries with the opportunity to exchange experiences, approaches and best practices on prosecution of Trafficking in Human Beings cases as well as challenges from the different perspectives of countries of origin, destination and transit, and to learn from EU experts including those of the European Court of Human Rights case-law analysis, and methodologies.
