Advocacy for Policy Development
ADVOCATES for migrant inclusive health policies and programmes at a national, regional and global level, and assists in the development of policies to promote and protect the health of migrants.

Health Service Delivery and Capacity-Building
DELIVERS, FACILITATES and PROMOTES equitable access to migrant-friendly and comprehensive health care services. IOM enhances the technical and operational capacity of governments and partners.

Strengthening Inter-Country Coordination and Partnership
COMMITTED to developing and strengthening multi-sectoral partnerships and coordination among member states, stakeholders and migrants.

Research and Information Dissemination
STRENGTHENS knowledge on the health of migrants via research and information dissemination to ensure evidence-based programming and policy development.

Strengthening knowledge on the health of migrants via research and information dissemination to ensure evidence-based programming and policy development.
