Total number of individuals currently displaced: 77,826*

Number of displaced individuals identified by Emergency Tracking since 17 October

Where are people coming from?
Number of individuals displaced, by district of origin

Where are people displaced to?
Number of individuals displaced, by current district of residence

Notes from December 1:
- Qayyarah Jad'ah 2 camp (extension of Qayyarah Jad'ah camp) received 128 families from Hatra;
- The decrease recorded in Qayyarah Jad'ah camp and the increase in Qayyarah Jad'ah 2 is due to further data validation.

*Emergency tracking numbers are not cumulative. They reflect a snapshot of displacement on the day of reporting. The number of individuals is calculated by multiplying the number of identified families by six, which is the average size of an Iraqi family.

The IOM Iraq Displacement Tracking Matrix (DTM) is the standard data source being used in Iraq to guide the humanitarian response. Emergency tracking for the Mosul operations began identifying people displaced resulting from military actions that began on 17 October.
