Sf - is the financial score of the Financial Proposal under consideration,

F1 - is the price of the lowest Financial Proposal, and

F - is the price of the Financial Proposal under consideration.

The proposals shall then be ranked according to their combined (Sc) technical (St) and financial (Sf) scores using the weights<sup>5</sup> (T = the weight given to the Technical Proposal = 0.80; F = the weight given to the Financial Proposal = 0.20; T + F = 1)

$$Sc = St \times T\% + Sf \times F\%$$

Unless there are exceptional reasons, the financial negotiations will involve neither the remuneration rates for staff nor other proposed unit rates.

---

<sup>5</sup> May vary depending on the requirement of the Mission; normally, weight assigned to Technical is .80 and .20 for the Financial.

- 12.4 Having selected the Service Provider/ Consulting Firm on the basis of, among other things, an evaluation of proposed key professional staff, IOM expects to negotiate a contract on the basis of the experts named in the proposal. Before contract negotiations, IOM shall require assurances that the experts shall be actually available. IOM will not consider substitutions during contract negotiation unless both parties agree that the undue delay in the selection process makes such substitution unavoidable or for reasons such as death or medical incapacity. If this is not the case and if it is established that staff were referred in their proposal without confirming their availability the Service Provider/ Consulting Firm may be disqualified. Any proposed substitution shall have equivalent or better qualifications and experience than the original candidate.
- 12.5 All agreement in the negotiation will then be incorporated in the description of services and form part of the Contract.
- 12.6 The negotiations shall conclude with a review of the draft form of the Contract which forms part of this RFP (Section VI). To complete negotiations, IOM and the Service Providers/ Consulting Firms shall initial the agreed Contract.
