BID BULLETIN NO. 3104-01

Supply and delivery IT equipment for the State Migration Service of Ukraine

08 January 2019

The Bids Evaluation and Awards Committee of IOM Ukraine hereby issues Bid Bulletin No. 3104-01 to answer the following requests for clarifications:

1. Please clarify required height of the server cabinets required under lot #UA1-2018-3104.6?

IOM's Official Answer:

There was a typo in technical specification of the lot #UA1-2018-3104.6. Required height of the server cabinet under this lot is 42U. Technical specification in Section II of Bidding Documents has been updated accordingly.

2. What edition of antivirus software is required for lot #UA1-2018-3104.7 "Workstations with monitor, mount, computer mouse, keyboard and preinstalled software"?

IOM's Official Answer:

Antivirus software edition under lot #UA1-2018-3104.7 "Workstations with monitor, mount, computer mouse, keyboard and preinstalled software" should be Office.

3. Please indicate whether antivirus software under lot #UA1-2018-3104.7 "Workstations with monitor, mount, computer mouse, keyboard and preinstalled software" should be preinstalled?

IOM's Official Answer:

No, antivirus software should be supplied on physical source or as license key.

To the attention of Bidders: in order to ensure consideration of the updated technical specification during preparation of the bids, IOM Ukraine Bids Evaluation and Awards Committee now extends bids submission deadline until 17.00, 18 January 2019 and introduces correspondent revisions to the Bidding documents.
