#	Query	IOM Response
1	Are there any guidelines around the length for the various components of the technical proposal (maximum or minimum number of pages)?	There are no guidelines in the length of the various components of the technical proposal (there is no minimum or maximum page limit)
2	We note that the tender documents were published on August 12, which gives bidders around 11 working days to prepare a proposal. We also note that the responses to request for clarification will only be available after August 24. In order to provide bidders time to prepare the proposal and integrate the information from the Q&A, is there a possibility to extend the proposal deadline?	The deadline of submissions and clarifications have been extended. Please refer to the above bid bulletin notes.
3	It is not clear if you expect the work to be carried out totally from home base (using ZOOM, etc. for interviews) or if travel is anticipated. If travel is anticipated, we would need to know to what duty	There are no travel requirements expected. The selected service provider is expected to have the work carried out online. However, if

	stations and for how long a period in each, in order to put together a viable financial offer.	the selected service provider is from located in Geneva, they are expected to do some face-to-face meetings with the project managers.
