No	Question	Response
1	In the RFQ, there is no number of required vehicles; just the specs and model.	As this is a long-term agreement, IOM does not warrant that any quantity will be procured during the duration of the LTA. However, based on historical data, IOM requested one (1) vehicle per Purchase Order (PO) for 6 to 12 months duration. Number of PO issued ranges from 3-5 POs per year.
2	Do you require one vehicle per each category you specified in your table; e.g.: 1 Nissan Micra or equivalent; 1 Regular 7 seats Mazda or equivalent; 1 Nissan Sunny or equivalent; etc.) or more per category?	As this is a long-term agreement, IOM does not warrant that any quantity will be procured during the duration of the LTA. However, based on historical data, IOM requested one (1) model per Purchase Order (PO) for 6 to 12 months duration. Number of PO issued ranges from 3-5 POs per year.
