These are a matter of form and not of substance and can be corrected or waived without being prejudicial to other bidders.</p> <p>Provided that a bid is substantially responsive IOM may request the bidder to submit the necessary information or documentation, within a reasonable period, to rectify nonmaterial nonconformities or omissions in the bid related to documentation requirements. Such omission shall not be related to any aspect of the price of the bid. Failure of the bidder to comply with the request may result in the rejection of its bid.</p> <p>For bids that have passed the preliminary examination, IOM shall check and correct arithmetical errors as follows:</p> <ul style="list-style-type: none"> a) if there is a discrepancy between the unit price and the line-item total that is obtained by multiplying the unit price by the quantity, the unit price shall prevail and the line item total shall be corrected, unless in the opinion of IOM there is an obvious misplacement of the decimal point in the unit price; in which case, the line-item total as quoted shall govern and the unit price shall be corrected; b) if there is an error in a total corresponding to the addition or subtraction of subtotals, the subtotals shall prevail, and the total shall be corrected; and c) if there is a discrepancy between words and figures, the amount in words shall prevail, unless the amount expressed in words is related to an arithmetic error, in which case the amount in figures shall prevail. <p>If the bidder that submitted the lowest evaluated bid does not accept the correction of errors, its bid shall be rejected, and its bid security may be forfeited.</p>
44. Right to accept any bid and to reject any or all bids	<p>IOM reserves the right to accept or reject any bid, and to annul the bidding process and reject all bids at any time prior to contract award, without thereby incurring any liability to the affected bidder or bidders or any obligation to inform the affected bidder or bidders of the grounds for IOM's action. IOM shall not be obliged to award the contract to the lowest priced offer.</p>
45. Samples	<p>Where required as per Section 5: Schedule of Requirements, free, non-returnable samples shall be provided by the bid submission deadline for evaluation and testing by IOM or their representative, of the item and/or the packing and packaging, prior to any award. Samples will</p>

	<p>be subject to technical review and laboratory analysis where appropriate. Samples provided to IOM are non-returnable unless otherwise stated. Samples should be marked with the ITB number.</p> <p>If a bidder fails to provide samples or documents requested by IOM in a timely manner, IOM may declare the bid unsuccessful.</p>
AWARD OF CONTRACT	
46. Award criteria	In the event of a Contract award, IOM shall award the contract to a bidder who has been determined as eligible and qualified and whose bid has been determined to be the lowest-priced, substantially compliant offer to the ITB. IOM reserves the right to conduct negotiations with the bidder recommended for the award on the content of their bid.
47. Right to vary requirement at time of award	At the time the Contract is awarded, IOM reserves the right to increase or decrease the quantity of goods, works and/or services originally specified in Section 5: Schedule of Requirements, provided this does not exceed the percentages specified in Section 3 Data Sheet, and without any change in the unit prices or other terms and conditions of the bid and the bidding document.
48. Notification of award	Prior to the expiration of the period of bid validity, IOM will notify the successful bidder in writing by email, fax or post, that its bid has been accepted. Please note that the bidder, if not already registered at the appropriate level in UNGM, will be required to complete the vendor registration process on the UNGM prior to the signature and finalization of the contract.
49. Debriefing	In the event that a bidder is unsuccessful, the bidder may request a debriefing from IOM. The content of other bids and how they compare to the bidder's submission shall not be discussed.
50. Performance security	<p>The successful bidder, if so specified in Section 3: Data Sheet shall furnish performance security in the amount and form specified therein, within the specified number of days after receipt of the contract from IOM. Banks issuing performance securities must be acceptable to the IOM controller, i.e. banks certified by the central bank of the country to operate as a commercial bank. IOM shall promptly discharge the bid securities of the unsuccessful bidders pursuant to Article 19 (Bid Security).</p> <p>Failure of the successful bidder to submit the above-mentioned performance security or sign the contract shall constitute sufficient grounds for the annulment of the award and forfeiture of the bid security. In that event IOM may award the contract to the next lowest evaluated bidder, whose offer is substantially responsive and is determined by IOM to be qualified to perform the contract satisfactorily.</p>
51. Bank guarantee for advance payment	Except when the interests of IOM so require, it is IOM's standard practice not to make advance payment(s) (i.e., payments without having received any outputs). If an advance payment is allowed as per Section 3: Data Sheet, and if specified there, the bidder shall submit a Bank Guarantee in the full amount of the advance payment. Banks issuing bank guarantees must be acceptable to the IOM controller, i.e., banks certified by the central bank of the country to operate as a commercial bank.
