The Supplier shall ensure that any subcontractors, as well as the officers, employees, and agents of either of them, similarly, shall not receive any additional remuneration;

- (j) It shall respect the legal status, privileges and immunities of IOM as an intergovernmental organization, such as inviolability of documents and archive wherever it is located, exemption from taxation, immunity from legal process or national jurisdiction. In the event that the Supplier becomes aware of any situation where IOM's legal status, privileges or immunities are not fully respected, it shall immediately inform IOM.

The Supplier shall ensure that this requirement is included in all subcontracts.

9.7 The Supplier warrants that it shall abide by the highest ethical standards in the performance of this Agreement, which includes not engaging in any fraudulent, corrupt, discriminatory or exploitative practice or practice inconsistent with the rights set forth in the Convention on the Rights of the Child. In the event that IOM determines, whether through an investigation or otherwise, that such a breach has occurred then, in addition to its right to terminate the Agreement, IOM shall be entitled to recover from the Supplier all losses suffered by IOM in connection with such breach.

10. Assignment and Subcontracting

10.1 The Supplier shall not assign or subcontract the Agreement or any work under this Agreement in part or all, unless agreed upon in writing in advance by IOM. Any subcontract entered into by the Supplier without approval in writing by IOM may be cause for termination of the Agreement.

10.2 In certain exceptional circumstances by prior written approval of IOM, specific jobs and portions of the Agreement may be assigned to a subcontractor. Notwithstanding the said written approval, the Supplier shall not be relieved of any liability or obligation under this Agreement nor shall it create any contractual relation between the subcontractor and IOM. The Supplier shall include in an agreement with a subcontractor all provisions in this Agreement that are applicable to a subcontractor, including relevant Warranties and Special Provisions. The Supplier remains bound and liable there under and it shall be directly responsible to IOM for any faulty performance under the subcontract. The subcontractor shall have no cause of action against IOM for any breach of the subcontract.

11. Force Majeure

Neither Party will be liable for any delay in performing or failure to perform any of its obligations under this Agreement if such delay or failure is caused by force majeure, which means any unforeseeable and irresistible act of nature, any act of war (whether declared or not), invasion, revolution, insurrection, terrorism, blockade or embargo, strikes, Governmental or state restrictions, natural disaster, epidemic, public health crisis, and any other circumstances which are not caused by nor within the control of the affected Party.

On receipt of such notice, the unaffected Party shall take such action as it reasonably considers appropriate or necessary in the circumstances, including granting to the affected Party a reasonable extension of time in which to perform its obligations. During the period of force majeure, the affected Party shall take all reasonable steps to minimize damages and resume performance.

IOM shall be entitled without liability to suspend or terminate the Agreement if the Supplier is unable to perform its obligations under the Agreement by reason of force majeure. In the event of such suspension or termination, the provisions of Article 21 (Termination) shall apply.

12. Independent Contractor

The Supplier, its employees and other personnel as well as its subcontractors and their personnel, if any, shall perform all Services under this Agreement as an independent contractor and not as an employee or agent of IOM.

13. Audit

16. Dispute Resolution

- 16.1 Any dispute, controversy or claim arising out of or in relation to this Agreement, or the breach, termination or invalidity thereof, shall be settled amicably by negotiation between the Parties.
- 16.2 In the event that the dispute, controversy or claim has not been resolved by negotiation within 3 (three) months of receipt of the notice from one party of the existence of such dispute, controversy or claim, either Party may request that the dispute, controversy or claim is resolved by conciliation by one conciliator in accordance with the UNCITRAL Conciliation Rules of 1980. Article 16 of the UNCITRAL Conciliation Rules does not apply.
- 16.3 In the event that such conciliation is unsuccessful, either Party may submit the dispute, controversy or claim to arbitration no later than 3 (three) months following the date of termination of conciliation proceedings as per Article 15 of the UNCITRAL Conciliation Rules. The arbitration will be carried out in accordance with the 2010 UNCITRAL arbitration rules as adopted in 2013. The number of arbitrators shall be one and the language of arbitral proceedings shall be English, unless otherwise agreed by the Parties in writing. - 16.4 The present Agreement as well as the arbitration agreement above shall be governed by the terms of the present Agreement and supplemented by internationally accepted

general principles of law for the issues not covered by the Agreement, to the exclusion of any single national system of law that would defer the Agreement to the laws of any given jurisdiction. Internationally accepted general principles of law shall be deemed to include the UNIDROIT Principles of International Commercial Contracts. Dispute resolution shall be pursued confidentially by both Parties. This Article survives the expiration or termination of the present Agreement.

17. Use of IOM Name, Abbreviation and Emblem

The official logo, emblem and name of IOM may only be used by the Supplier in connection with the Services and with the prior written approval of IOM. The Supplier acknowledges that use of the IOM name, abbreviation and emblem is strictly reserved for the official purposes of IOM and protected from unauthorised use by Article 6^{ter} of the Paris Convention for the Protection of Industrial Property, revised in Stockholm in 1967 (828 UNTS 305 (1972)).

18. Status of IOM

Nothing in or relating to the Agreement shall be deemed a waiver, express or implied, of any of the privileges and immunities of the IOM as an intergovernmental organization.

19. Indemnification and Insurance

- 19.1 The Supplier shall at all times defend, indemnify, and hold harmless IOM, its officers, employees, and agents from and against all losses, costs, damages and expenses (including legal fees and costs), claims, suits, proceedings, demands and liabilities of any kind or nature to the extent arising out of or resulting from acts or omissions of the Supplier or its employees, officers, agents or subcontractors, in the performance of this Agreement. IOM shall promptly notify the Supplier of any written claim, loss, or demand for which the Supplier is responsible under this clause.
- 19.2 This indemnity shall survive the expiration or termination of this Agreement.
- 19.3 The Goods supplied under this Agreement shall be fully insured in a freely convertible currency against loss or damage resulting from or related to manufacture or acquisition, transportation, storage, and delivery. Further insurance requirements may be specified in the Technical Specifications.

20. Waiver

Failure by either Party to insist in any one or more instances on a strict performance of any of the provisions of this Agreement shall not constitute a waiver or relinquishment of the right to enforce the provisions of this Agreement in future instances, but this right shall continue and remain in full force and effect.

21. Termination and Re-Procurement

- 21.1 IOM may terminate or suspend this Agreement, in whole or in part, at any time with written notice to the Supplier. Any monies paid in advance by IOM shall be refunded on or before the date of termination.

- 21.2 If IOM terminates this Agreement in whole or in part for default on the part of the Supplier, it may acquire elsewhere goods similar to those terminated and the Supplier shall be liable for any excess costs to IOM for the re-procurement of those goods as well as the removal of any or all of the Supplier's product or equipment from IOM's premises or other places of delivery. The Supplier shall not be liable for any excess costs if the failure to perform under this Agreement arises from causes beyond its control and without fault or negligence of the Supplier.
- 21.3 Upon any such termination, the Supplier shall waive any claims for damages including loss of anticipated profits on account thereof.
- 21.4 In the event of suspension of this Agreement, IOM will specify the scope of activities and/or deliverables that shall be suspended in writing. All other rights and obligations of this Agreement shall remain applicable during the period of suspension. IOM will notify the Supplier in writing when the suspension is lifted and may modify the completion date. The Supplier shall not be entitled to claim or receive any Price or costs incurred during the period of suspension of this Agreement.

22. Severability

If any part of this Agreement is found to be invalid or unenforceable, that part will be severed from this Agreement and the remainder of the Agreement shall remain in full force.
