

Project: Construction materials for Reconstruction and Repair of 10 Public Infrastructure and Utilities in outer islands in Chuuk, FSM

Bid Bulletin No.1

Date: July 1, 2022

Responses and comments to general and technical requirements with regard to the RFQ on Supply and delivery of construction materials for Reconstruction and Repair of 10 Public Infrastructure and Utilities in outer islands in Chuuk, FSM

1. Could you please confirm if it is ok for you to use Australian New Zealand standard products or is the standard where you are US standard.

IOM Response: Australian New Zealand standard products may be accepted as long as they meet requirements set in Request for Quotation and are of the same quality or better. ISO certificates for products may be attached to the quotation.
