Start of Block: Introduction

Intro1 Hello! My name is.... and I am calling on behalf of the International Organization for Migration (IOM). The IOM is carrying out a research on migrants' integration in Brazil and we would like to learn about your experience. We are inviting migrant beneficiaries of the Sodexo Card to answer a phone survey, which is how we received your number.

Participation in the survey is entirely voluntary. For those who are willing to complete, IOM is offering a R\$20 mobile top up credit as a reward for your time and help. The survey will take around 30 minutes. Would you have time to speak with me now? *[If Yes: Proceed with survey]*

[If No:] Would it be possible to call you back some other time? *[If Yes:]* Which day and time would be good for you? *[Record date and time in a separate file.*

Then, please close the survey here. Do not record your answers.] [If No: Thank respondent and exit survey.]
