

# SRF OBJECTIVE 4 MIGRATION GOVERNANCE

## Global Compact for Migration (GCM)

IOM strengthened its support to Member States in the implementation, follow-up and review of the **Global Compact for Safe, Orderly and Regular Migration**

**50 IOM offices**, across all regions, supported governments in drafting their **national voluntary GCM reviews**

## Migration Policy Support

In 2021 alone, IOM's policy experience and expertise informed over **170 migration policy and law processes** at the national and local levels.

**75 IOM offices** supported national governments' efforts to refine or mainstream migration into **development or sectoral policy** across thematic areas such as:

- ✓ Social protection
- ✓ Health
- ✓ Employment
- ✓ Environment

### For example:

**Colombia** adopted an approach to justice that fully respects considerations related to migration, gender and sexuality and ethnic diversity.

## Partnerships with United Nations (UN) structures

IOM continued to make progress on several commitments in line with its role as **Coordinator of the United Nations Network on Migration**

**81 IOM offices** provided expertise to ensure that migration was reflected in common country analyses as a main planning document for the UN Country Teams

## Migration Network Hub

Virtual meeting space where governments, stakeholders and experts can **access and share migration-related information** and services, was launched in 2021.

IOM launched its flagship programme on

## Essentials of Migration Management 2.0 (EMM2.0)

Online resources and foundational **training for government officials** and key stakeholders dealing with core areas of migration

## Migration Governance Indicators (MGIs)

**27** National governments & **22** Local governments

Used MGIs to **strengthen their migration frameworks** through the development of new policies and to integrate migration considerations into sectoral policies

## IOM launched the latest edition of World Migration Report 2022

- ✓ **290% increase in uptake** compared with the 2020 edition
- ✓ Media reporting in over **20 languages**
- ✓ **Gold** in the International Annual Report Design Awards

## IOM Development Fund (IDF)

**\$ 16,015,779 USD** available in 2021

**41** IDF projects completed in **42** Member States

**115,468** beneficiaries

Rise in demand for **projects related to migration, the environment and climate change**
